

A. Participants / Registration / Sanitary facilities / Surfaces

1. Only persons without acute symptoms of respiratory diseases may participate.
2. Outside the game participants must keep a minimum distance of 1.5m from one another.
3. Participants must register with name, home address and telephone number.
4. Soap and disinfectant for hands must be available in sanitary facilities.
5. Surfaces of balls must be cleaned regularly.
6. No participant may touch his face during the game or dance.

B. Batsmen

1. Every Batsman must play with his own helmet and his own gloves.

C. Bowlers / Balls

1. Every bowler must disinfect his hands before each over he bowls.
2. No participant may treat the ball with saliva.

D. Fielders

1. All fielders must wash or disinfect their hands before fielding.

E. Officials

1. The scorer or his representative registers the contact data with date and time, stores it for four weeks safely and then destroys it.
2. The umpires and the scorer provide disinfectant.
3. The umpires and the scorer monitor the compliance with this protective concept.

***This protective concept** takes into account the HmbSARS-CoV-2-EindämmungsVO as of 25.8.2020. It **must be read out** by one of the umpires **for all participants before the beginning of each event.**
